Luxury Wide Plank Collection

White Oak Super Prime

Experience superior quality paired with distinguished design. This material offers a modern, clean aesthetic with virtually no imperfections. White Oak Super Prime is a beautiful plank that is 99% free of sap and knots. Planks will provide a more consistent color across the entire floor, creating a minimalist appearance. In addition, this product offers superior strength and durability, is resistant to wear, and will withstand the test of time. White Oak Super Prime is cut from veneer-grade, slow growth white oak trees handpicked from the northern Appalachian mountain range. Finally, planks are sorted to assure each is of utmost quality and appearance. White Oak Super Prime is often referred to as the perfect board.
