Antique Reclaimed · Luxury Wide Plank Collection

Antique Reclaimed OAK

The strength, durability, and availability of the massive Oak trees that populated the early American forests made it the go-to timber for barn and granary construction. The mighty Oak is as much a part of Americana as the barn itself.

Meticulously curated from the reclaimed joists, rafters, granary boards, siding, and floor-boards of old barns and other historic wooden structures, reclaimed Antique Oak flooring showcases the many patinas and colorations of the fabled timber developed in its various structural uses.

Distinctive Attributes

A combination of White and Red Oak, characterized by minimal original saw marks, nail holes, sound cracks, checking, wormholes, and naturally occurring over/under wood creating a dynamic authentic old-world appearance. Rustic colorations with varying grain patterns and tight knot structure.

FLOORING SPECIFICATIONS		
	Engineered Plank	Solid Plank
Species	Oak	
Board Widths	3"–6", 4"–8" or 6"–10" random widths	
Board Length	2 ft & longer (up to 12 ft) random lengths
