# COBBLESTONE PLANK

*Add a Touch of City Life to Your Space*

The contemporary sandy browns, classic chocolate tones and blanket of opaque white sets the Cobblestone Plank from the Metro Collection apart from the others. This prefinished hardwood product is a combination of 100% reclaimed oak, and contains characteristics such as distressed surfaces, nail holes, sound cracks, checking, wormholes and naturally occurring over/underwood which creates the dynamic authentic old world appearance of this product. It presents a variety of rustic colorations and surfaces, with varying grain patterns and tight knot structure.
