# Antique Reclaimed ORIGINAL FACE OAK

Antique Oak Original Face is among our most popular flooring choices, salvaged from wood joists, rafters, granary boards, siding, and floor boards in old barns and other wooden structures.

You'll fall in love with our hand-selected, repurposed Antique Oak Original Face flooring for its natural beauty, rich patina, and unrivaled character. With warm earth tones, tight knot structure, slight checking, and varying grain patterns, reclaimed Antique Oak Original Face flooring will perfectly complement any room in your home.

**Distinctive Attributes**

Whether Red, White, or a combination of the two, reclaimed Antique Oak Original Face hardwood flooring features original saw marks, nail holes, sound cracks, checking, wormholes and naturally occurring over/under wood which creates the dynamic authentic old-world appearance of this product — for a one-of-a-kind design.
