Antique Reclaimed HICKORY

Contrasting light and dark wood tones juxtaposed with bold, flowing grain patterns give reclaimed Antique Hickory a strikingly modern look and a casual, comfortable appeal. Hickory is unmatched in its strength and hardness — the ideal choice for contemporary spaces where beauty meets performance.

Sourced from American East and Midwest barn beams and joists, each hand-selected plank carries decades of authentic history. No two planks are alike — natural color variation from nearly white to deep dark brown is the hallmark of genuine reclaimed Hickory.
