Hickory Select

Morning and midnight swirls of color mingle with smooth, robust grain patterns to distinguish our Hickory Select flooring – a wood of unparalleled strength and hardness. Each carefully crafted plank possesses unique features and colors that can only be found in fully mature timbers. With its strikingly modern look and casual, comfortable appeal, Hickory hardwood flooring will help you create an airy, contemporary space that’s perfect for kids and pets.

DISTINCTIVE ATTRIBUTES

Hickory Select wide plank flooring features less knots and variation. Expect colors from nearly white to dark brown, and a delicate balance of small sound knots and natural checking. It is one of the strongest commercial woods available.
