White Oak has always served a special role in the history of woodcraft, and has been used for everything from whiskey barrels to warships—and of course, barns.

Continuing the tradition of special use for a special wood, Antique Reclaimed Oak Appearance-Grade White Oak champions not only the durability of the fabled timber, but also its beauty. Characterized by long grain patterns, tight knot structure, and a rich patina, Antique Reclaimed Oak Appearance-Grade White Oak proudly displays one of history's proudest hardwoods.
