**TRADITIONAL PLANK FLOORING** – THE WAY THEY USED TO DO IT

A medium-density hardwood from Northeast Ohio's most common forest community at the time of European settlement, traditional plank Maple – with minimal color and grain variations – combines honey and tawny blonde hues with tight grain and light, creamy notes for a stunning floor that will brighten any room in your home.

***Distinctive Attributes***

Our Traditional Plank Maple wood flooring combines timeless beauty with excellent durability, making it a great choice for a high-performance flooring solution. Maple wood provides a clean, contemporary look while offering exceptional resilience for high-traffic areas.
